

Allan PONCHAUT

“Autonomous, natural and patient”

07 49 41 71 41

299 Abbaye Street

allanponchaut2@gmail.com

Passionate about computer science since my childhood, I am continuing my studies in this field to become a developer. My favorite work environment is mainly in autonomy because it is where I can blossom the most. I like technology in general and I'm interested in languages and reading.

SKILLS

- | | | | |
|---|---------|------------------------|---|
| • Creation of websites | French | <div><div></div></div> | Mastered software : Word, Excel, Libreoffice, paint.net, Visual Studio Code, Zoom. |
